Board Change Threatens Township

One Liner

It's nice to be
important--But it's
more important to be
nice

The recent reapportionment of County districts and change in the manner of selecting County Board members has raised suspicions that Antioch Township could be without a voice on the county board.

According to Lloyd "Red" Murrie, Township Supervisor and current board member, the new procedures could "seriously effect Antioch Township and its residents in the future."

The board will be made up of 25 commissioners, five being elected from each of the five districts in Lake County.

Formerly, the township supervisor also sat as a member on the county board. Now, however, the two posts are separate and anyone wishing both offices must run in two elections.

The 4th District of which Antioch Township is a part, also includes Avon, Fremont, Grant, Lake Villa and Wauconda Townships.

The threat to Antioch Township lies in the fact that only five of the six townships could possible gain representation.

Avon and Fremont Townships

are the most populous and could conceivably send two or possible three representatives with the other townships dividing the remainder.

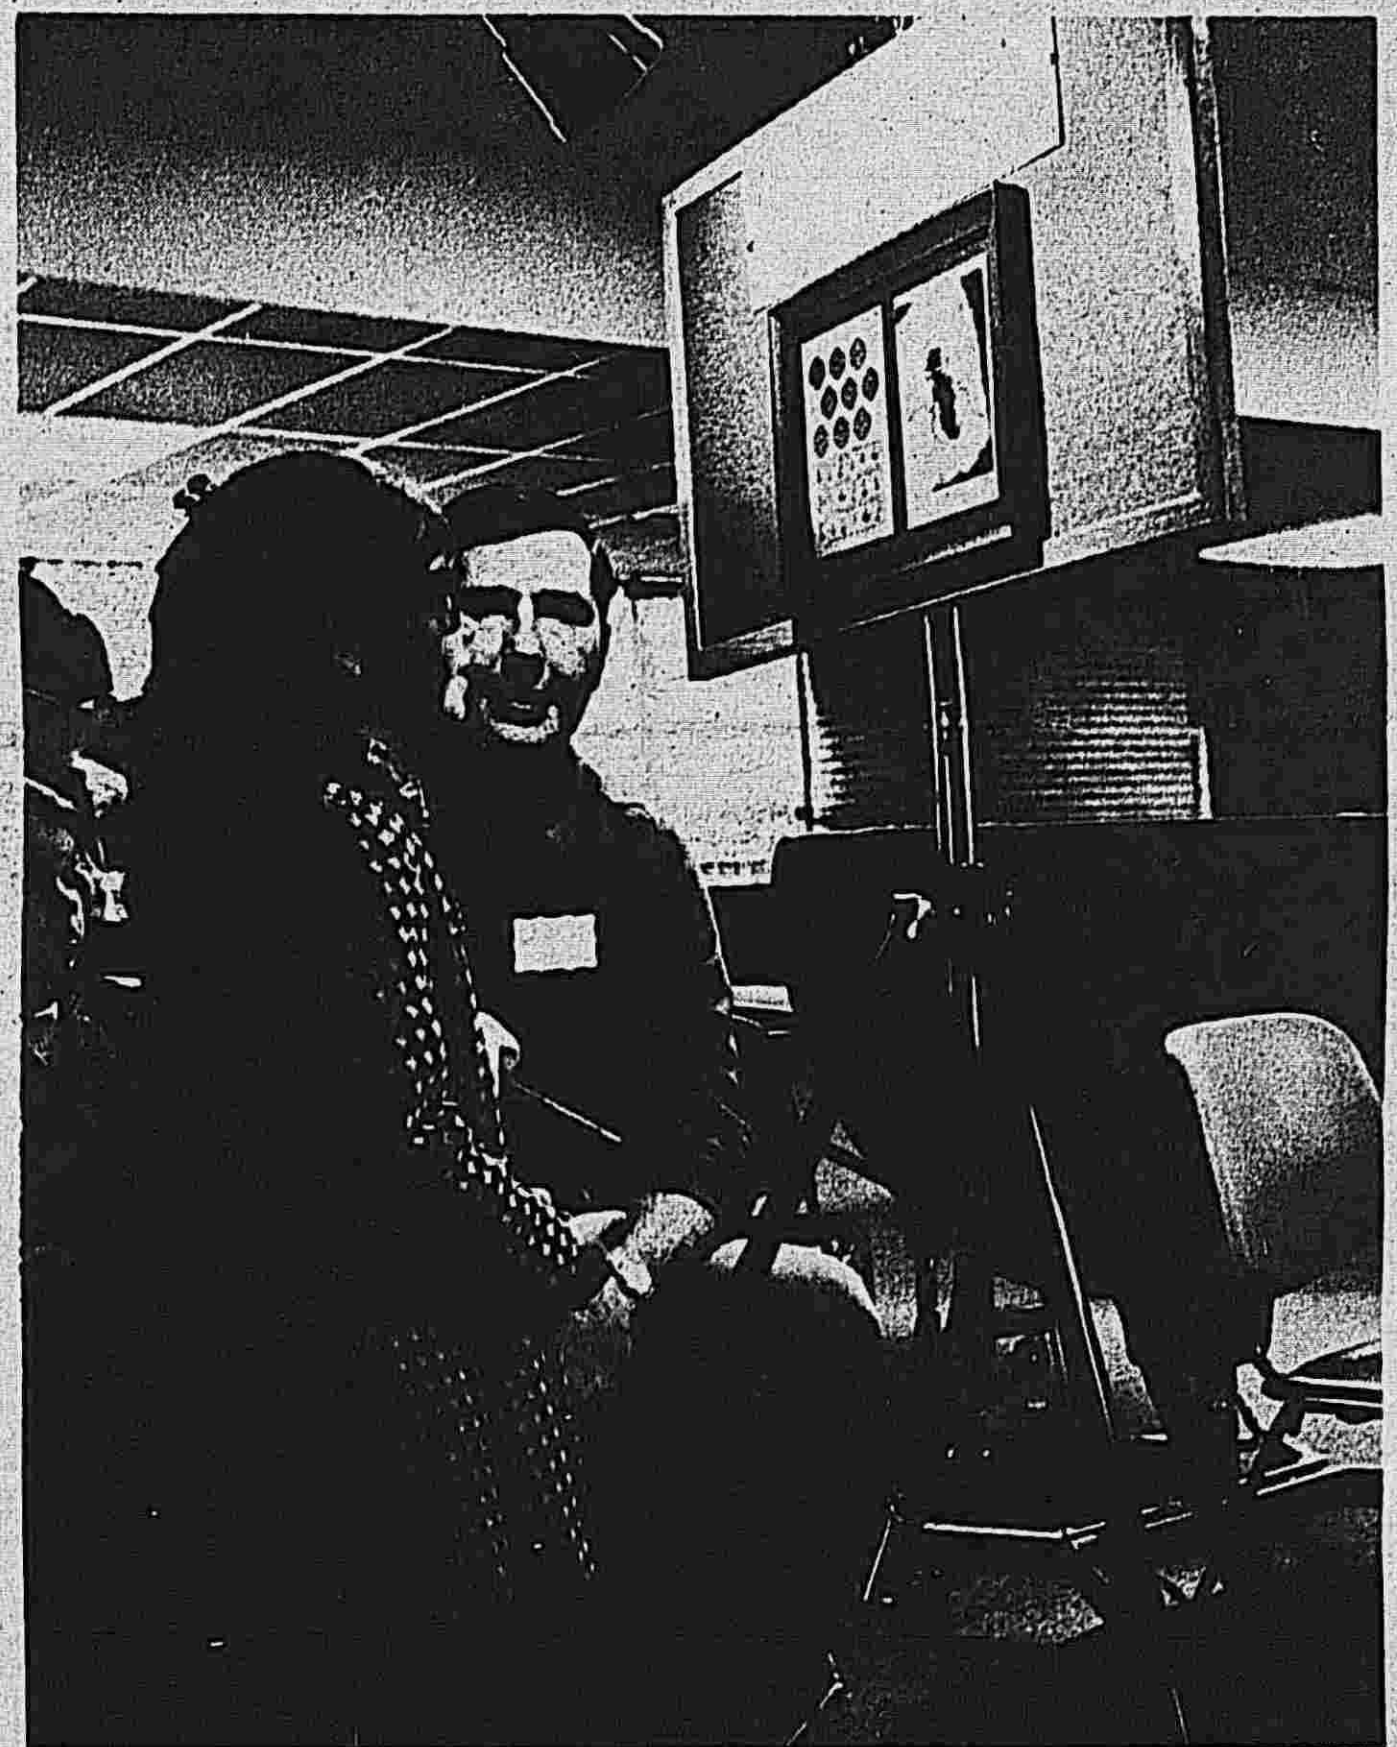

The county board controls matters that concern zoning, building and development, as well as the proposed county-wide sewage and water facilities.

The real significance of the matters very often escapes the public.

By controlling zoning, housing developments destined to bring millions of dollars into this fast growing township could be in the hands of those with no particular concern for our needs.

Without representation, building and development, with regard to the proposed multi-million dollar, county-wide, sewage and water facilities, which should also funnel funds into the area is at the fate of persons who could have no vested interest in OUR welfare.

Finally, state and federal funds ear-marked for the area would not have to be shared equally if we have no representative to plead our cause.

1003 Screened In "S O S" Clinic

A total of 1003 Antioch area residents took advantage of the free "SAVE OUR SIGHT" Clinic on Sunday, establishing a record turn out for the program.

Mr. Fred L. Marvin, Executive Secretary of the Vision Conservation Institution, stated that a turn out in excess of 900 people had never before been achieved in nearly nine years which the program has been in existence. The "SAVE OUR SIGHT" Clinic has been held in many Illinois communities ranging in size from parts of Chicago, the City of Rockford to many small towns and villages throughout the state.

The purpose of the sight screening tests is to find possible vision problems which were previously undetected. In this

regard, of the total of 1003 people who were screened, 416 of them were referred to their eye doctor for further examination and treatment. Mr. Marvin said, "We hope that everyone who received a referral card for a professional examination will make an appointment with an eye doctor. Vision is a persons' most prized and valued sense. Since 95 per cent of vision problems are functional in nature, most problems can be corrected with proper treatment." The Antioch Lions Club sponsored the "SAVE OUR SIGHT" program. More than sixty Lions Club members helped to administer the tests. Doctors from the Lake County Optometric Society who gave of their time and supervised the screening were; Dr. Albert Bucar, Dr. Robert Fisch, Dr. Eugene Horner and Dr. Earl Townsend.

Fergie Jenkins, pictured above, the Cy Young Award Winner will be one of the Chicago Cubs present on November 11th for a 7:30 P.M. benefit game against the high school faculty. The game is at the high school with tickets available at various locations and at the gate.

B-E Day Tour - Mr. William Block Jr. gives detailed outline of Quakers product line to visiting teachers from the Antioch Grade and High School.

B-E Day Is Held

On Tuesday, November 9th, 183 area teachers were hosted by 32 member firms of the Antioch Chamber of Commerce to a day of activities in conjunction with Business Education Day.

The businessmen gave the teachers a practical lesson in

the workings of business and economics in general.

The educators and businessmen lunched at Lorenz's Smart Country House and then dispersed in small groups to tour business facilities.

57 File For County Board

As the County Clerk's office closed its doors Monday, fifty-seven persons had filed as candidates for the newly created Lake County Board of Commissioners.

The fifty-seven will have their names listed under either the Democratic or Republican banner. New parties or independents have until January 2nd to file.

The board will be made up of 25 Commissioners, five being elected from each of the five districts. Previously, successful candidates for Township Supervisor were

automatically appointed to the post.

In District 4, twelve candidates declared their willingness to run under a party label. Four Democrats and eight Republicans have filed.

The Republicans are: Harry Robin, Lloyd Murrie, Robert Mathews, Edward Kidera, Norman Geary, Robert Dickson, Ronald Coles and George Bell.

The Democrats are: Carl Seaholm, Ralph Montrimos, Hal Kaiser and Richard Berger.

Challenge To Youth

Questioning the values, priorities and direction of American Society has recently become almost the exclusive reserve of the young. While newspapers, radio and television have given immense coverage to marches, rallies, sit-ins and demonstrations, the young have had little official outlet for their outspoken criticism.

However, approval of the 26th Amendment, lowering the voting age to 18, has provided them with the opportunity of having their voice acknowledged.

Nevertheless, it appears that many young adults are not overly excited, based on the low numbers of 18 to 20 year old voter registrants. Perhaps the ambivalent rhetoric that they have distained is becoming the vocabulary of youth.

Supposedly, many feel that their vote constitutes an exercise in futility. They reason, perhaps, that their vote will have no real bearing on the outcome of elections and cannot immediately effect the change they feel is so urgently needed.

Maybe it's a lot easier to be a "Weekend Peace Warrior." To think of meetings as only social gatherings and not to consider them the instruments of change that they can and should be.

Young Americans have now reached a symbolic crossroad. They must now "Convert their good words into good deeds."

If they organize, register, support or run candidates, they have a realistic chance to alter those parts of the system, which do indeed, require revision.

If, however, they decline the opportunity, they will find their voice muted and their message unheeded.

If young people truly want change installed, priorities re-evaluated, institutions altered and the quality of American life upgraded, they must follow through on the issues they have championed or fall into the dull complacency which they attack.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Our Congressman

SCHOOL BUSING

The question of school busing seems to have landed squarely in the lap of the United States Congress. The issue was created by decisions of the United States Supreme Court and other Federal tribunals, which have directed school desegregation in such a manner that busing is required in order to move students from one school to another. The added expense of such transportation raises a demand for added "federal aid" to fulfill the mandates of these Federal court decisions.

Notwithstanding this pressure for Federal funds, the Congress has adopted language in earlier appropriation bills prohibiting expenditures of funds to achieve "racial balance." However, this language seems not to have retarded desegregation decisions nor the continued expansion of school busing programs. Several measures are pending in the Congress which affect this issue.

First, a Constitutional Amendment embodied in H. J. Res. 620 provides specifically that "No public school student shall, because of his race, creed, or color be assigned or required to attend a particular school." This measure which is pending before the Rules Committee is also the subject

of a "discharge petition" supported by more than 120 Members of the U. S. House of Representatives.

A second proposal, H.R.2266, was presented last week as an amendment to the Higher Education Act (H.R.7248) which included an authorization of \$1.5 billion for emergency school aid to assist in effecting desegregation but with a specific prohibition against the use of any of the

funds for the busing of pupils.

Basic to the issue of busing is the overriding interest in achieving quality education—and what is best for the school children themselves. Obviously, school busing is not always the simple, pat, answer. Nor should school busing be prohibited by the Constitution or by a deliberate restriction on the use of funds where busing can help achieve a higher quality of education.

Help Our Servicemen Have A Merry Christmas

The Antioch Post Office is currently urging citizens to send contributions of merchandise or cash to fill gift boxes destined for shipment to local servicemen overseas.

The donations are sent to all overseas personnel, not just those stationed in Viet Nam, whose families reside in the area served by the Antioch Post Office.

The boxes will contain anything that would be enjoyed by servicemen. In the past, gifts of paperback books, toothpaste, candy and cookies, bouillon cubes, small canned goods, stationery, ball point pens and foot powder have been appreciated by the servicemen.

However, in order for the packages to be sent at least \$150 to \$200 in merchandise must be collected.

Mrs. Chase, post office worker, urges all groups, organizations, clubs, fraternal orders and individuals "to do their utmost to make Christmas a little merrier" with these holiday packages.

The Post Office is presently sending 35 to 40 packages periodically, 5 or 6 times a year, but encourages area people to supply the names of all overseas servicemen, along with their A.P.O. or F.P.O. numbers.

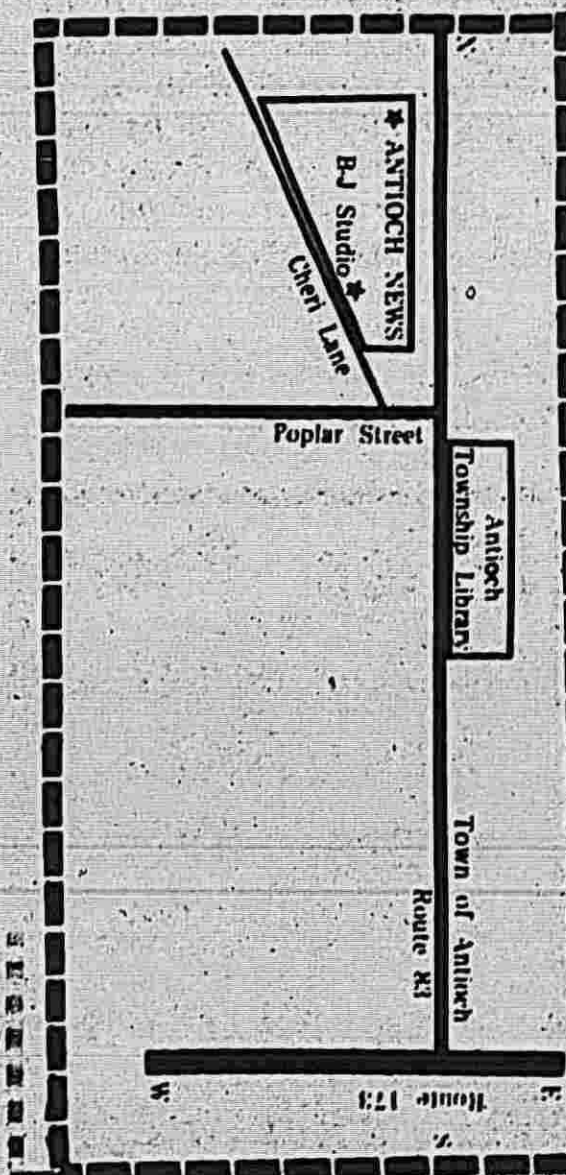

All donations must be in before November 19th to insure delivery in time for Christmas.

Lions Commended

A special commendation must go to our Antioch Lions Club for the very successful "Save Our Sight" project last Sunday. Also we must commend the people of Antioch for the record breaking turnout.

All too often very fine projects such as S.O.S. go poorly attended or for some reason never make it off the ground. In this case the results far exceeded expectations of everyone.

A special word of praise should go to Earl Stringer and his committee for the outstanding job of organization. Let's hope that this and other like fine projects will continue in the future.

The season's first measurable snowfall adorns the War Memorial west of the Village Hall. Area residents woke to find the white fluffy stuff adding a new dimension to trees and sculpturing familiar local landmarks.

Julio Sanchez, Antioch High School's American Field Service foreign exchange student from Costa Rica, is all set to flip a few pancakes at the A.F.S. Pancake Breakfast to be held in the Antioch High School cafeteria on Sunday, November 14 from 8 a.m. to 1 p.m. Flipping and eating pancakes will be another new experience for Julio.

AFS Pancake Breakfast This Sunday

On Sunday, November 14, the Antioch American Field Service chapter will serve a tasty Pancake Breakfast in the Antioch High School cafeteria from 8 a.m. to 1 p.m. Steaming hot pancakes and sizzling sausages will taste mighty good on a brisk November morning. Tickets (adults \$1.00, children 50 cents) will be on sale at the First National Bank of Antioch and the Antioch State Bank on Friday evening, November 12 and Saturday morning, November 13. Proceeds will go to the Antioch A.F.S. foreign exchange scholarship fund.

As an extra bonus, the

combined Antioch P.T.A.s will be displaying some of the unique and attractive Christmas items they will have to sell at their P.T.A. Christmas Bazaar on November 21 between 1 and 5 P.M. at Oakland School.

Flash! The Antioch A.F.S. chapter has recently sent in the application of an Antioch student for the A.F.S. Americans Abroad Scholarship. Your local A.F.S. needs your financial and moral support for this worthwhile program. Try not to miss the A.F.S. Pancake Breakfast this Sunday!

MERCHANT of the WEEK

Dick Ford has occupied his store on Main Street for only two years, but the personable young owner of Antioch Carpet should be no stranger to local residents. He moved to the area from Chicago sixteen years ago and finished high school at Grant.

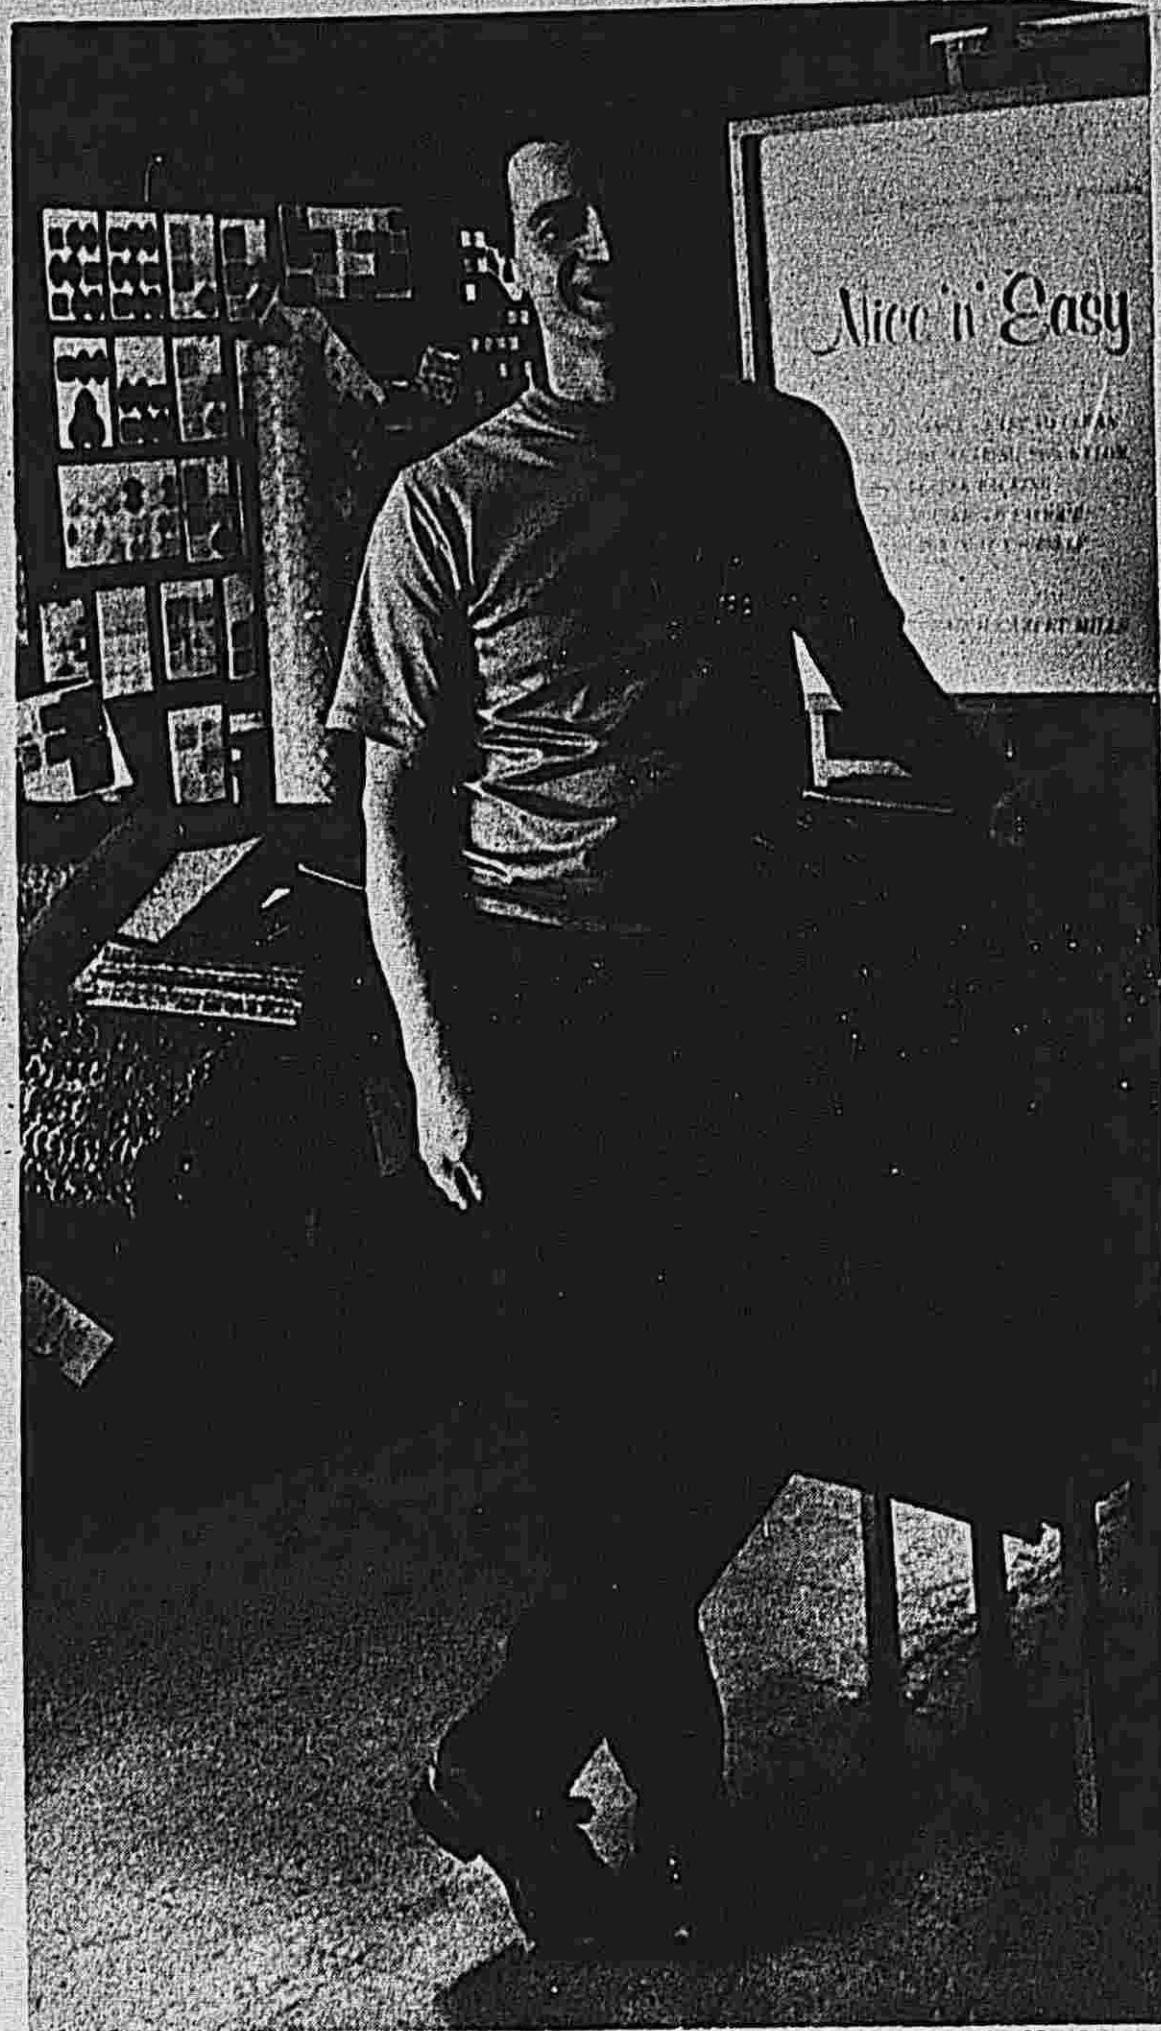

Dick and his wife Donna have two children Nancy 11, and Chris 3 and they have watched their children grow along with the local area.

Even with a young family and a business to manage, Dick still finds time for community service projects.

Along with his wife Donna, Dick directed the local Girl Scout Troup last year.

He is also a member of the Antioch Chamber of Commerce. The young aggressive businessman is on the Chamber's Christmas committee and is helping to coordinate the activities that it is planning.

The Chamber has bought out two performances of the PM&L production, "King Arthur's Sword". The delightful children's play will run on the two weekends following Thanksgiving.

(staff photo)

Dick Ford

Dick has a variety of hobbies and interests. He is an avid bike rider and weekend camper, but his chief interest is photography.

Dick has his own darkroom and enjoys developing and printing his own creative efforts. Since his move to a new home the darkroom equipment has yet to be installed, but as soon as time

permits, he'll start up again.

Business has steadily grown since Dick has occupied the building on Main Street. He feels that the good service and installation that he and his staff are known for has built up his business. "When you do a good job and people are satisfied, you get new customers by good references and word of mouth."

GRADE SCHOOL BAND CANDY SALE

Again this year, the Antioch Grade School Band will launch its annual candy sale. The campaign will extend from November 13 to 28. The salesmen will be members of the band calling at the homes of friends and neighbors. Welcome them!

Along with its tag day, the candy sale is a major source of funds for the Antioch Grade School Band. Monies collected are used for the purchase of instruments, uniforms and for defraying concert and tour

expenses.

The candy is attractively boxed and is available in three delicious choices: Crickets, Tyrolean Mints and Nut Fudge. It is priced at \$1.00 per box. In addition to supporting a truly happy cause, the candy is an appropriate treat for the upcoming holiday.

Area chairmen may pick up their candy supplies at the Upper Grade School on Friday, Mrs. James Bruski and Mrs. John Fries are co-chairmen of the drive.

DIANE JENSSEN AND CLASSMATE HAVE BIRTHDAY SURPRISE

Diane Jenssen was home for the weekend from Luther Hospital School of Nursing in Moline, Illinois. She was accompanied by Ann Faust, a classmate whose home is in Balang'da Lalu in Tanzania Africa, where Ann's parents are

Missionaries.

The girls were surprised with a birthday party for them on Friday night. Diane's 19th birthday was October 31 and Ann's 21st birthday was November 8th.

Some of the cast of P.M.&L.'s children's production of "King Arthur's Sword" are pictured reading and discussing the script with director Valerie Hunley. "King Arthur's Sword" can be seen on the P.M.&L. Theatre stage on November 27, 28, December 4 and 5. ("L to R") Mickey Knox, Larry Cropp, Ron Koules and Val Hunley.

What About "King Arthurs Sword?"

"WHAT ABOUT 'KING ARTHUR'S SWORD'?" A Palette, Masque & Lyre children's production at Christmastime has become a tradition in Antioch. This year the exciting historical dramatization of "King Arthur's Sword" by Margery Evernden will open at the P. M. & L. Theatre (877 Main St., Antioch) on the sameday that Santa arrives in town.

November 27! "King Arthur's Sword", directed by Valerie Hunley, is the absorbing story of a young man destined to be King of England. The gentle, unselfish young Arthur is believably played by Mickey Knox of Antioch, a newcomer to the P. M. & L. stage this year. Arthur has been raised as the son of Sir Hector of Bonmason, who has been degraded into Pellinore's

servitude after being defeated by this bold, black knight. The evil Pellinore is played by another P. M. & L. newcomer, Larry Cropp of Lake Villa. The Lady Elaine grieves over her husband's plight, so Arthur and his older brother, Sir Kay, set out to free their father. Lady Elaine is played by Kathryn Hausman of Lake Villa. Not to be outdone by her talented husband Tom (he played old Solomon in "The Price"), Kathy is making her stage debut. Sir Kay, an ambitious young man, is portrayed by Charles Brown of Trevor, Wis. Charles was in "The Boyfriend" and directed "Hansel and Gretel" this summer. The web of intrigue begins when Arthur and Sir Kay enter the enchanted forest of Usk, home of Merlin, the magician-Arthur's unknown protector. Merlin, a cunning gentleman of many disguises, is delightfully portrayed by Ron Koules, now of Antioch. Ron teaches 6th grade at Gavin Central School in Round Lake. He has chalked up some impressive credits since coming to P. M. & L. this year. Ron walked off with the Mr. Thespis statue and the Jackie Award for "Best Supporting Actor". Princess Guinivere of Cameliard comes unexpectedly upon Merlin's

magic grotto where she meets Arthur and Sir Kay, and witnesses the wonders of Merlin's magic. Robinette Hunley of Antioch plays the lovely Guinivere and was last seen in P. M. & L.'s "Tom Sawyer", as Becky. Later, Guinivere and her father, Duke Leodegrance, stop at the castle of Sir Hector for shelter and she, once again, meets the appealing Arthur and his arrogant brother. It is here that a giant toad (Merlin, of course) tries desperately to tell them something and lays a glittering ruby at Arthur's feet. Harold Springer of Antioch plays the part of Guinivere's distinguished father. Harold was last seen in "You Can't Take It With You". He and his artistic wife Joanne have also lent their talents to P. M. & L. set construction and decor. In the final scene, the gallant knights and aspiring young men are summoned to London by the Archbishop for a jousting tournament to determine the greatest knight in the kingdom. Jim Scribner of Antioch enacts the role of the powerful Archbishop of England. Another fete awaits the strong and the mighty-whomever can pull out the magic sword imbedded in the anvil on top of a stone will be declared King of all

England! Director, Val Hunley (winner of the Jackie Award for Best Actress this year) promises plenty of action and suspense, plus colorful costumes and imaginative sets, for children of all ages who come to see "King Arthur's Sword" on November 27 at 10:30 a.m. and 2:30 p.m., November 28 at 2:30 p.m. or December 4 and 5 at 2:30 p.m. Student tickets are 75c, adults are \$1.25 or \$1.00 when with a child. The November 27 matinees are already sold out so be sure to call 395-9702 for reservations now!

The Time Machine

71 YEARS AGO, NOVEMBER 8, 1900

A raging blizzard kept many of the Antioch people from coming out to the polls to vote in the big election. Only 468 of the possible 600 cast their ballots.

A nine pound baby girl was born to Mr. and Mrs. Lee Hill on Saturday morning November 3.

"Our Town"

Without a clash of cymbals or a beating of the drums, the play OUR TOWN, began unfolding. Grovers Corners was introduced by a friendly, self-confident, easy-going narrator. He wasn't vivacious but surprisingly magnetic as he told the tale of Grovers Corners, the Webbs, the Gibbsees, the milkman, the sheriff, the churches, the habits and the traditions of the conservative little town.

The Professor and the town editor expanded further on any other details of Grovers Corners.

Then, as any town in the big wide world, Grovers Corners had its lovers - George & Emily. The story of love is as old as man yet as enthralling, beautiful, and mysterious as life. George and Emily - puppy love, high school sweethearts in moments of agony and ecstasy, held the audience in awesome understanding.

Naturally marriage followed. Then death - portrayed perhaps ironically to some and very realistically to others.

The premature death of Emily, as she labored with child, caused meditation.

The whole cast of OUR TOWN should appear on stage for one more encore.

Ken Smouse was an able director and did a fine job of casting the play.

"You've got to have life to love, and you've got to love to have life."

SPECIAL PROVISIONS FOR FILING PETITIONS

Those who plan to run for "Member of the County Board" on a party ticket will be filing petitions with this office from November 1st to 8th. And those who are running for other county offices will be filing between December 13th and 20th.

I had hoped to save you (and me) the frenzy of early filing by making ballot order strictly a matter of lot-at a public drawing which would have been held after the last date for withdrawal. After consulting the statutes however, I find that I am limited in how non-discriminatory I can be.

Therefore: placement on the ballot will be determined on the basis of order in filing, but the following provision will apply:

a. The door to the County Clerk's office will remain locked until 9:00 A.M. and those arriving at the counter simultaneously will be so recorded. The door will be locked at 5:00 P.M. on the 8th and only those already in line will be able to file.

b. All petitions received in the mail of Monday, November 1st, will be recorded as having arrived at 9:00 A.M. exactly. Any that arrive by mail prior to November 1st will be returned to the candidate. You will be advised that they are being returned however, and may implement whatever alternate plan for filing you choose.

c. Where there is a tie in time of arrival or where doubt or controversy exists, a public drawing will decide which petition takes precedence. This includes all that arrive in the mail on November 1st, as well as those which simultaneously reach our counter.

CENSUS BUREAU TO SURVEY EMPLOYMENT SITUATION IN THIS AREA

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of November 15, Curtis T. Hill, Director of the Bureau's Data Collection

Center in Chicago, announced today.

This survey is conducted each month by the Bureau for the U.S. Department of Labor in a scientifically designed sample of households

WEDNESDAY NOVEMBER 10, 1971
throughout the entire United States.

The employment and unemployment statistics which this survey provides are prime indicators of economic conditions of the Nation. For example, the September survey showed that employment had risen substantially while unemployment remained

virtually unchanged, after allowance for the usual seasonal movements. The overall seasonally adjusted unemployment rate was 6.0 percent, little changed from the 6.1 percent of August.

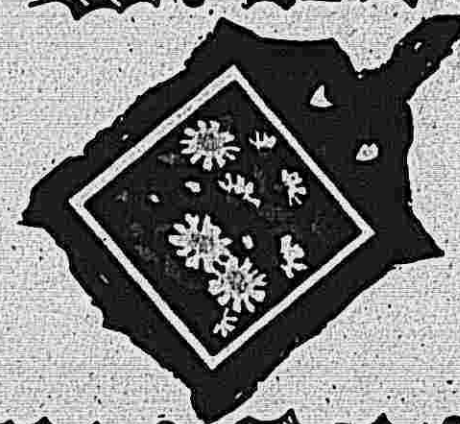

Facts supplied by individuals participating in the survey are kept confidential and the results are used only to compile statistical totals.

ATWOOD'S HOLD SPECIAL MEANING TO 350th THANKSGIVING

The celebration of the 350th Anniversary of the first Thanksgiving has a special meaning for some Antioch area residents.

They are direct line descendants of John and Priscilla Alden (Pilgrim Forefather) and belong to the Midwest Chapter of the Alden Kindred of America.

Mr and Mrs Charles Atwood of Fox Lake (he is an 11th generation descendant of John Alden) are the parents of Mr. Charles (Ray) Atwood, Route 2, Antioch, also Mrs. George Boyd, 293 Park Ave, Antioch, and Mr. James Atwood and Mr. Richard Atwood of Grandwood Park, Gurnee, Ill.

These members and their families are planning to attend the Annual Forefathers Day Dinner to be held November 20, 1971 at the Swedish Glee Club. Guest speaker at the meeting will be Mrs. Jeanne Ropiequet of Highland Park. She will speak on the nature of the New England Indians and Indian Lore.

In early September, the Atwood family gathered with other Alden Cousins at the David Beno home in Wildwood.

The children dressed in Pilgrim and Indian costumes, reenacted the first Thanksgiving dinner, then completed the day with a picnic dinner, games, and swimming.

ACHS Hosts N.E.D. Convention

Saturday, November 13, Antioch Community High School will host the annual convention of the Northeast District of the Illinois Association of Student Councils.

There will be representatives of over forty schools of the district in attendance. They will exchange ideas and try to improve the student governments of their respective schools.

The keynote speaker for the convention will be Mr. Stanley B. Thomas Jr., the Deputy Secretary of the Department of Health, Education, and

Welfare. He is also a member of the President's Youth Advisory Committee. Mr. Thomas spoke this summer at the Student Council Nationals in Vermont.

Several other activities will be taking place also such as a report from the State Board and a report from the National Advisory Committee. It should be a very rewarding experience for all those attending.

Treasury NEWS

Lake County residents purchased a total of \$452,060.00 in Series E and H United States Savings Bonds in September, according to Richard F. Kennedy, Waukegan, Illinois, and Richard D. Newland, Waukegan, county chairmen of the savings bonds committee.

Purchases in the State of Illinois were up 5.8 percent for a total of \$24,405,107.

As of September 30, the dollar amount outstanding reached a new all time peak of 54.2 billion.

WOMAN'S CLUB PLANS MARCH OF DIMES DRIVE

Antioch Woman's Club held its regular meeting on November 1. Plans are under way for the March of Dimes drive to be conducted by Woman's Club members, Mrs. Ralph Parker and Mrs. Harry Deininger were welcomed as new members.

It was guest day and members and guests were afforded a great treat. The program chairman, Mrs. Dan Mentone, introduced the very talented Miss Rosemary Sutz. Miss Sutz's program consisted of vocal selections, choosing as her theme - "Music of the 1900's". With such a diversity of songs she went from "The

Shade of the Old Apple Tree" to "Mame" to "Everybody Works But Dad." A complete change in interpretation was achieved by means of her well-trained voice and charming personality.

The audience was invited to participate by singing in some numbers or clapping rhythm in others. One number particularly appealing was "When the World Was Young".

As a close to the program the entire group joined hands and sang "Auld Lang Syne". It was a most pleasant afternoon.

Mrs. Robert Sven and her hostess committee served refreshments - pie and coffee.

The look of contentment is on the face of Harry Wallace as he retired on the 1st of November.

Harry and his wife Gladys are lifetime residents of Lake County and are now living at 525 Garys Drive (Village Green formerly was their farm) with

Gladys's mother Mrs. Farino Lemkin.

A surprise retirement party was given for the Wallace's by N. H. Engle & Sons, Lindenhurst, where the money tree was given from all who worked with Harry.

GENDE - HARRISON

On Saturday, October 9th, Gertrude Ann Gende, daughter of Mr. and Mrs. Frank E. Gende and Terrence M. Harrison, son of Mr. and Mrs. John J. Harrison were wed in a double ring ceremony. The wedding occurred at St. Mary's Catholic Church in McHenry at 11:00 a.m. with Father Eugene Keusal performing the ceremony.

The bride wore a white crepe knit, empire waist dress with rose applique at the waist, sleeve and skirt, which was made by her mother. The bouquet was a cascade of yellow roses and white Fuji mums.

The Maid of Honor was Jean Marie Gende, sister of the

bride, while the Best Man was Ronald Horton. Ushers were John Horan and David Gende, brother of the bride.

The bride graduated from Marian Central High School and is employed by Commonwealth Edison.

The groom graduated from Antioch Community High School, is an army veteran and is also employed by Commonwealth Edison.

Fifty-five guests attended the reception which was held at the Knights of Columbus Hall in McHenry.

After a honeymoon trip to the Smoky Mountains, the couple will reside in McHenry,

PLAN FINANCIALLY FOR CHILDS FUTURE

"Financial planning for the future of your children should begin while they are still in grade school," says Mr. Kurek, Director Pupil Personnel Services at the Antioch Community High School. Because of the strong financial support to education during the past decade, aid was available to any student going to college in the amount required to meet the expenses of a particular College.

Briefly, parents and students met costs in a reasonable degree, ostensibly so as not to disrupt unduly the family's standard of living. If a family was financially unable to help with college, a student could get full help irrespective of costs. The philosophy was that any intellectually able student would have the opportunity for higher education in the college of his choice. As federal assistance is

decreasing, it appears that the financial demands on families will be greater and unless planning begins early, curtailment of higher educational opportunities may result. An excellent way to provide for funds is a compulsory savings plan which will provide interest on funds saved as well as insurance which will guarantee funds availability when needed. There are many companies offering such plans whereby families may allot funds monthly to an insured, interest bearing account. For example, a family starting a plan when a child was in the first grade would have earned \$5,234.17 in interest when ready for college, all the time insurance included to provide funds in the event of disability of the wage earner. Information on plans is available at all local schools.

WOMAN'S CLUB TO INTRODUCE SCHOLARSHIP WINNERS

The next regular meeting of the Antioch Woman's Club will be on November 15.

The Woman's Club scholarship winners will be introduced.

The program will be a talk by Mr. Dave Nissen of Antioch who is a designer of Jim Beam bottles. These bottles are made by Regal China Co. Mr. Nissen will give a short history on the development of the "Beam Bottle," its use and value as a collectors item. It should be a very interesting and informative talk.

Women's Golf League Banquet

The Antioch Women's Golf League sponsored by the State Bank of Antioch had their first Banquet and Awards dinner at the Iron Kettle in Wilmet on October 27th. It was a very festive occasion with approximately forty women and their husbands attending.

Mrs. Frances LaPlant, President, welcomed everyone and was a charming Mistress of Ceremonies. She introduced the officers of the Golf League as follows: Mrs. Phyllis Bucar, Vice President, Mrs. Carol Anderson, Secretary and Mrs. Betty Mentone, Treasurer. Also introduced were Mrs. Kay Costoff and Mrs. Irene Hahn who planned the banquet.

Carol Anderson presented Mr. Preston Reckers with a special gift for all the help he gave the League in getting organized.

Mr. Bill Brook, President of the State Bank, handed out the trophies to the winning teams who were:

First Place - Team No. 2 with members Pearl Fowles, Ruth Pickus, Sally Hawkins, Eugene Nissen and Phyllis

Orsolini's
 Located at the crossroads of U.S. 12 and Illinois Route 31 is a niche in time, a step back into the past when dining was a slow, unhurried pleasure.

Orsolini's restaurant is a return to the time when service was the key word and the menu was superb. The brothers Orsolini, Nello and Steve have operated the spacious, comfortable dining spot for 26 years. They follow the same time-honored practice of catering to customers in the cordial and friendly manner which made their mother's restaurant in Italy, a big favorite.

ORSOLINI'S specializes in things "Italiano." The menu features Mostaccioli, Lasagne, Spaghetti, Veal Parmigiano, Chicken Cacciatora and homemade Ravioli.

Their Minestrone soup has been hailed by discerning gourmets as undoubtedly the finest outside of Italy.

ORSOLINI'S also has a fine selection of aged steaks and a host of entrees: Prime Rib, Filet Mignon, Roast Long Island Duckling, to name only a few, sure to raise the eyebrows of even the most sophisticated connoisseur. Chops, Ribs and seafood also grace a splendid menu.

The dining room which seats one-hundred is decorated in the manner that makes one recall the famous and pleasant restaurants that once graced many of our beautiful byways but since have gone to the automated, mechanized business of satisfying a consumer need.

ORSOLINI'S has honored their pledge of serving their patrons in the Old World practice of seeing to the customers needs and wishes.

The banquet hall is decorated in the traditional Italian custom with paintings and Chianti bottles gracing a rich oak-paneled wall.

Take a pleasant journey and discover the reasons that make ORSOLINI'S a favorite spot for comfortable, leisurely dining.

American Legion Auxiliary News

At the November 1st meeting of the Antioch American Legion Auxiliary No. 748, held at the Antioch American Legion Home, many contributions were made. Mrs. John W. Horan, President, conducted the meeting.

First on the agenda, was \$90.00 donated to the seven point rehabilitation program. According to Mrs. Ray Rathmann, rehabilitation chairman, this program takes care of 1 - Treasure Chest, which supplies creature comforts, parties and treats to patients, and contributes to the hospitalized veteran's project; 2 - Insulin - supplied to all indigent diabetic patients; 3 - Canteen Books, which gives a \$1.00 canteen book for spending money to needy patients; 4 - Christmas Gift Shop - through this program, a veteran with little or no income, may select, at no cost to himself, Christmas gifts for his immediate family. Auxiliary volunteers holiday wrap and mail these presents; 5 - Easter Gifts - each veteran will receive a gift at this time; 6 - Hospitality Fund - these funds assure that the hospitals will always be able to provide monthly entertainment; and 7 - Maintenance of the veteran's craft exchange.

Under the children and youth program, \$18.00 was sent for the child welfare pledge; \$10.00 to the Normal spending money fund for the children at the Illinois Sailor and Soldier's Children's School (ISSCS); and \$5.00 was allocated for a Christmas gift for the new boy Antioch Unit is sponsoring at Harbord Cottage. Mrs. William Dowden, children and youth chairman, reported, on the Tenth District's children and youth meeting, held at the Homer Dahringer American Legion Home, Waukegan, on October 24th. The Antioch Unit will be sponsoring Terry Welch, a high school senior at Harbord

Cottage, at ISSCS, which is now designated as an "Honor Cottage". The Auxiliary also sent in another donation for the district's Christmas Caravan, since in addition to their large gifts for the Lake County Children's Homes, each child also will receive a Christmas stocking.

The \$4.00 for the National Legislative Bulletin was voted on. Mrs. Frank Kennedy, legislative chairman, will inform the members of bills pending before state and national legislative bodies.

Mrs. John L. Horan, Americanism Chairman, announced that the Antioch Unit will be serving refreshments at the forthcoming New Citizen's

Reception. \$4.00 was sent for the New Citizen's Fund.

After paying district assessments, nearly \$200.00 had been spent.

Membership chairman, Mrs. Lester Zitkus, stated that the Antioch Unit now has 90 paid up members, and is 100% in membership.

There was a "Draping of the Charter" ceremony for Mrs. Edna Rathmann, who died suddenly on October 13th.

October 30th found the Dowdens, the John L. Horans and the Ed Jahneke's at the Past Commander's Party, held at the Lake Region's American Legion Home in Fox Lake. They enjoyed the delicious dinner, and the unusual entertainment of "King and Zerita Mentalists".

WEASEL'S OPEN NEW LOCATION

Weasels opened their new restaurant west of town on Route 173 on Wednesday, November 3rd.

The Badame's new location is

the last of many successful dining operations in Antioch.

The menu is varied, offering steaks, seafood and a good selection of pizza.

Mr. Gilbert Moran, President of the Chain O'Lakes Model A Ford Club and Mr. Dan Nowlin, President of the Model A Ford Clubs of America, hold the plaque that the Chain O'Lakes Club won for having the greatest percent of membership increase during a recent membership drive. The Club won this award over all other clubs in the world.

Local Model A Club Wins Award

The Chain of Lakes Chapter Model "A" Club was awarded the National Membership Trophy during their October 31st meeting at the Iron Kettle in Wilmet.

The award was presented by Mr. John Nowlin, of Phoenix,

National President of the club, for the greatest percentage increase of new members.

The local chapter, which has been in existence for just two years, has 36 devotees and specimens of the 1928-32 vehicle.

Mrs. John Horan Jr, wife of the club's secretary, noted that the cars are not just for show. "We enjoying restoring them, but also take drives and short trips."

MISS ILLINOIS TEEN-AGER PAGEANT

Applications are being accepted for the upcoming 8th Annual Miss Illinois Teen-Ager Pageant to be held Aug. 4-5, 1972 at the Holiday Inn-South, in Harvey, Illinois. Girls 13-17 will be judged for their scholastic achievements, civic contributions, poise,

personality and appearance. It is not a talent or bathing suit contest, and is recognized by educators across the country as an outstanding, worthwhile pageant for teen-agers.

Currently, Miss Ann Bossingham of Le Roy, Illinois reigns as Miss Illinois Teen cont. on page 12

SEQUOIT SMOKE STACKS

That cold winter weather sure has come on strong but it hasn't put a damper on the activities at Antioch High. Woolly blankets, soft, warm mittens, and big, fluffy hats helped those brave Sequoit fans a little, but it was worth the cold to see those FIGHTING SEQUOITS come back and win the last game of the football season. They beat the Round Lake Panthers by a score of 16-0. Yeah!

No, the crime rate in Antioch has not increased; the kids you see riding around with the police are part of a new program at the high school. The Ride Along program, as it is called, was developed to help the students better understand how the police department works and to promote better relationships between the police and the kids. To participate a student must have his parents sign a form and sign up for the four hour time slot he is available.

If you saw MIKE AMENT, ELDA MINGER, or DAVE OLERICK walking around in a

daze with their knees banging together in school Friday it wasn't because they just got out of driver's ed or got called down to the dean, it was because they were opening in the fall play that night. At 8:00 P.M. D-day arrived and they, with the help of many others, brought "Our Town" to life on the stage. The cast did a great job Friday but even

better Saturday when some of the jitters went away. SHARI PRANGE, who also had one of

the leading roles, was very surprised when she received some red roses at curtain call Friday night and so was ELDA and CONNIE WIEZOREK when they got some Saturday night. BETTY WATERS, another lead got quite a surprise too; when she tried to talk Saturday and almost did not make it. There were good crowds both nights and everyone in the cast really enjoyed doing the play, that is if they don't die of skin disease from the make up. (Many found they were allergic to it, the hard way.)

If you were wondering what that rather different kind of odor was coming from the language office seventh hour Thursday was ask BEV EDWARDS and DONNA KESSLER. They were busy

making tacos for the Spanish Club meeting. At the meeting while eating their delicious treat they discussed plans for their possible trip to Spain this Spring.

For the first time Antioch is going to have Cheerleaders for the wrestling matches. Freshman and Junior girls are eligible. So if you are interested contact Mrs. Wapon because tryouts will be soon.

Report cards for the first six weeks were given out this week. Congratulations to those who made the honor rolls.

Keep in mind the A.F.S. Pancake Breakfast, Sunday November 14 at the ACHS Cafeteria and the Cubs Basketball Game November 11. See you next week.

The anniversary party was given by their children, June Crichton, Lake Villa; Virginia Kovac, California; Doris Hutton, Waukegan; Phyllis Love, N.C.; and Sigrid McNamara. Dick Petersen was also home from Western.

Legion Sponsors Oratory Contest

The 10th District of the American Legion has announced the start of the 34th Annual National High School Oratorical Contest. The contest offers Illinois students scholarships ranging from \$100 to \$8,500.

The contestant will deliver a memorized oration (2 to 2½ typed pages, 1,000 to 1,200 words) on some phase of the United States Constitution. The oration is judged on a 100 point scale with 70 points awarded for content and 30 points for speaking skills. These point assignments make it possible for students who are not skilled public speakers to win.

The scholarships awarded are unrestricted grants and not based on a "means test." They may be used at any accredited American school.

The 10th District offers the winner a \$400 scholarship, a

chance to compete in a four District Divisional contest and a gold Orators Traveling Trophy for his school. Another gold medal and a \$100 scholarship is awarded the second place winner.

Interested students at Antioch Community High School should contact Legionnaire, Albert Fronek at 1202 North Route 59, Lake Villa; School Superintendent, Albert L. Dittman or Legion Post Commander, James Ferrier, Route 1, Box 442, Antioch, for details.

Students at Grant Community High School can receive information from School Superintendent, Lee D. Miller; Fox Lake Legion Commander, Alex Berdnick, 71 Wells Street or Legionnaire Lloyd Henderson, 152 East Grand Avenue, Fox Lake.

Christian Science Churches

Man has a divine right to be free of sin and sickness, according to a Bible Lesson-Sermon entitled "Mortals and Immortals" at Christian Science church services Sunday.

"Immortal man was and is God's image of idea, even the infinite expression of infinite Mind, and immortal man is coexistent and coeternal with that Mind," a citation to be read from Science and Health with Key to the Scriptures by Mary Baker Eddy states.

This call to action is included in the Bible readings: "Fight the good fight of faith, lay hold on eternal life, where unto thou art also called, and hast professed a good profession before many witnesses."

Services begin at 11:00 a.m. at First Church of Christ, Scientist, Beacon Hill Rte 173 and Harden, Antioch, Ill. All are invited to attend.

Department, Harper College, will serve as clinician. Discussions at the special sessions will center around the music curriculum in the junior college.

Simpkins was also appointed chairman of the junior college choral festival and indicated that District VII includes 14 public and private junior colleges in the northern Illinois area. The College of Lake County is an active member in the organization.

Mrs. Florence Morin and Mrs. K. Verkest of the V.F.W. Sequoit Auxiliary, Unit No. 4551 present Father Henderson of St. Peter's Church with a new American Flag. The presentation took place during a mass last Friday. The V.F.W. Auxiliary also presented a new American Flag recently to the Antioch Upper Grade Center. This project of presenting new flags to the various groups has carried on over the past years. (staff photo)

November Alcohol Education Month

All schools wholly or partially supported by public money in Illinois are required by law to teach "the nature of alcoholic drinks and other narcotics and their effects on the human system."

The Illinois Church Action on Alcohol Problems, which represents churches concerned with alcohol and drug abuse, is devoted to disseminating information relating to the abuse encouraging prevention, and assisting schools in their

educational programs. ILLCAAP also provides counseling and referral services.

According to ILLCAAP, alcohol was responsible for more than 30,000 highway deaths and 2,000,000 injuries last year; and alcohol problems cost citizens \$5 to \$7 for every tax dollar from sales of alcoholic beverages.

According to statistics, the drunk driver adds \$240 to every driver's cost of living, resulting in \$8 billion in direct economic loss and \$16 billion in indirect loss in 1969.

THEREFORE I, Richard B. Ogilvie, Governor of the State of Illinois, proclaim November 1971 ALCOHOL EDUCATION MONTH in Illinois and urge all Illinoisans to assist ILLCAAP in its educational program.

WILLIAM J. SCOTT
TO SPEAK AT "SMILE DAY LUNCH-O-REE"

NORTHEAST ILLINOIS COUNCIL TO CELEBRATE SMILE DAY

Illinois Attorney General William J. Scott will be the guest speaker at the Northeast Illinois Council of the Boy Scouts of America "Smile Day Lunch-O-Ree" fund raising luncheon to be held at noon at the Ramada Inn in Highwood, Illinois on Wednesday, November 17, 1971.

According to co-chairman Clayton L. Rautbord, the money will be used to finance Scouting activities for more than 425 Cub Packs, Scout Troops, and Explorer Posts in the Northeast Illinois Council. The Council is one of six in the Chicagoland area.

The contributions supplement other funds obtained from district and council campaigns, United Funds and Community Chest, endowments and miscellaneous contributions. "The Lunch-O-Ree method of gaining revenues for the council is necessary," he added, "to supplement other limited sources. The money is used to finance the council's character building, leadership development, and citizen training programs. It also helps finance the training and services of 6,000 adult volunteer leaders."

The Northeast Illinois

Council is serving a large number of boys each year. Currently, it reaches approximately 32 percent, or 17,000 of the more than 50,000 Scout-age boys in the north suburban area. By 1976 the council expects to serve 35 percent of the boys in the area

or a total of 22,742 Scouts and 654 Scout units.

"The fund raising is a real challenge for the council," Rautbord stated, "since a direct relationship exists between dollars and boys. For every \$1,000 contributed this year, the Northeast Illinois Council can provide a scouting program for 50 boys."

Christmas Bazaar

The possibility of new playground equipment becomes more of a reality each day for the children at Oakland Grade School, Antioch Grade School District No. 34. The Oakland PTA is sponsoring a gala Christmas Bazaar on November 21, 1971. The Bazaar will be held at the Oakland Grade School, corner of Grass Lake and Deep Lake Roads, Antioch, from 1:00 to 5:00 p.m. All proceeds from the bazaar will be used by the PTA to purchase playground equipment and repair and paint the existing equipment. The PTA hopes to assist in setting up new play areas which can be used by the physical education classes as well as for the children's free play time. Parents and teachers have been working since July on handmade items to be sold at the Bazaar. At last report, the PTA will be well supplied with many lovely and unique items for the sale. All they need is a large, enthusiastic crowd from the surrounding communities to reach the \$1,000 goal for the playground.

Oakland school was built in 1958. At that time a swing set was erected. Later more swings, a merry-go-round, monkey bars, and basket ball hoops were added. The enrollment at Oakland Grade

School is now 500 students. The playground equipment needs some repair and is inadequate for the number of children and of little use to physical education classes. The PTA hopes to add new equipment and new play areas, benefiting all the school children.

Mrs. David Heath of Antioch, is the Bazaar Chairman. She has made arrangements with each of the grade schools in the district to share the Bazaar date. Channel Lake Grade School will sell refreshments and sponsor a Pot Pourrie booth. Antioch Grade School will have a Bake Sale booth. The Antioch High School art classes will display the talents of their students at the Bazaar. The American Foreign Exchange Program will have a booth, and voter registration will be available through the cooperation of the County Clerk's Office. Each of the PTA's involved will use their earnings for special projects in their respective schools.

In addition to these special booths, there will also be a visit from Santa between 2:00 and 4:00 at the school. Parents are invited to bring their children to see the jolly old man. A special buying room will be available for children - with no parents allowed. All items will

be priced \$1.00 or under, and the children will have an opportunity to purchase gifts for Mom and Dad. Movies will be shown to entertain the children while Mom and Dad shop at the Bazaar. Baby sitting will also be available.

Some of the articles for sale at the Bazaar include acrylic fruits, coasters, napkin holders, trivets, key chains, candles and Christmas centerpieces with and without candles, Christmas wall hangings, wreaths, several kinds of hand-made ornaments, children's pictures and bulletin boards, artificial flower arrangements for all seasons, Barbie doll clothes and other toys, knitted and crocheted hats, mittens, etc., and home made candies and baked goods. Many other handcrafted items will also be available. Come and see!

EDUCATION IS BIG BUSINESS

The National Association of Manufacturers reports public education is big business. It employs close to three million people, and nearly one fourth of the population currently is enrolled in the public education system. Its 1969 budget of more than \$68 billion is a 1000 percent increase over that of 1947. The gross national product increased only 400 percent in this same period.

THE ANTIOCH ADVENTURERS 4-H CLUB

Purdy Retires

An Antioch resident recently retired from Commonwealth Edison Company after devoting 43 years to overhead line work. He is Donald Purdy of Route 4. He was a maintenance inspector in the overhead division at the company's Waukegan headquarters.

Married 32 years, Purdy and his wife, Evelyn, have lived in their present home for 17 years. They have a son, Donald.

The Antioch Adventurers held a meeting October 21, beginning their 8th year as a 4-H Club. 23 members were present. At this meeting a thank-you party was held for club leaders, Mr. and Mrs. Len Lagerstrom, who were surprised with two lovely gifts and a cake by the 4-H Club members.

During this meeting the following new officers were elected: President- Terry Corey, Vice-President- Kathy Haase, Secretary- Denise Weber, Treasurer- Bill Dubeck, Sgt.-at-Arms- Greg Bodin, Reporter- Brad Weber, Historian- Silvia Meuter, Telephone Committee- Sue Fischer and Karen Kirschke, Leaders - Mr. and Mrs. Len Lagerstrom and Mrs. Kirschke.

Mr. and Mrs. Len Lagerstrom are in charge of Woodworking (first half) and Leathercraft; Mrs. W. Kirschke with Pebble Pups; Mrs. A. Meuter with Sewing; Mrs. R. Dubeck with second half of Woodworking; Mrs. Carolyn Van Patten with three lectures on three different ways to make dresses; Mrs. W. Corey with International Cooking;

Mrs. Lagerstrom and Mrs. R. Haase with Organization; and Silvia and Doris Meuter as Junior Leaders.

TO ATTEND SCOUT LEADERS CAMP DINNER

All Scout leaders of the Northeast Illinois Council, Boy Scouts of America, are invited to attend a Camp Leaders Dinner at the United Methodist Church in Glenview on Thursday, November 11, 1971, 7:00 P.M. The purpose of the dinner is to explain the 1972 program for the Council camp, Ma-Ka-Ja-Wan Scout Reservation, which is located in the northeast part of Wisconsin, and the recognition of 1971 summer camp leaders.

Part of the 1972 plans include a choice of 1 or 2 week camping periods, and a variety of camping experiences, from dining-hall cooking and a full Merit Badge Program to outpost camping with small groups of boys doing their own cooking and planning their own program.

Ma-Ka-Ja-Wan is the Scout Reservation of the Northeast Illinois Council, and in 1971 over 1800 boys in 67 Troops participated in the summer camp program.

BROWNIE TROOP NO. 180

The girls in Brownie Troop No. 180 have been busy since September. They started out with a group of about 25 girls.

Just before the Homecoming Parade the troop split. Half of the girls were from Emmons school so they formed Troop 187.

A cook-out at Rock Lake was their first outing. The girls were taught the different ways of cooking outdoors. Using matches to start their all wood fires they dug a hole, built their fire and put a grill over the top. They also made a split

out of twigs and cooked over the fire.

The girls and their leader Mrs. Jean Proctor and co-leader Mrs. Joyce Kufalk marched in the Homecoming Parade.

A hiking outing was held at Camp Morrison. The girls brought a sack lunch and then went hiking in the woods looking for leaves and pieces of wood for future projects.

Last Saturday the troop spent the whole day at a farm near Union Grove, Wisconsin as the guests of Troop No. 187. The girls went on a hayride and toured the farm.

MILWAUKEE ROAD ANNOUNCES SUBURBAN SCHEDULE CHANGES

Milwaukee Road Announces Suburban Schedule Changes

The Milwaukee Road has announced that a number of suburban passenger train schedules on its lines to the north and west of Chicago will be changed effective November 14.

According to C. C. Dilley, general manager-passenger services, the changes reflect principally reductions of from two to five minutes in the over-all running times of

several trains.

He explained that the 5:45 a.m. Saturday only train from Fox Lake will be discontinued, but the former 5:35 a.m. Monday-through-Friday train will operate on Saturday also, departing Fox Lake at 5:40 a.m.

All train numbers have been changed and put into time sequence as a convenience to commuters.

The new schedules were announced in an issue of On the bi-Level distributed to all homeward-bound commuters November 4. Copies of the new timetables will be available at passenger stations on November 11.

"While our altered schedules do not represent major changes", Mr. Dilley said, "we feel that they will be welcomed by our patrons".

Election Judges Needed

The Republican and Democratic parties of Lake County are presently trying to enlist the aid of party members to act as election judges for Township, County, State and Federal elections.

In all, the parties must find, between them, five citizens to serve as judges for each of the county's 235 precincts.

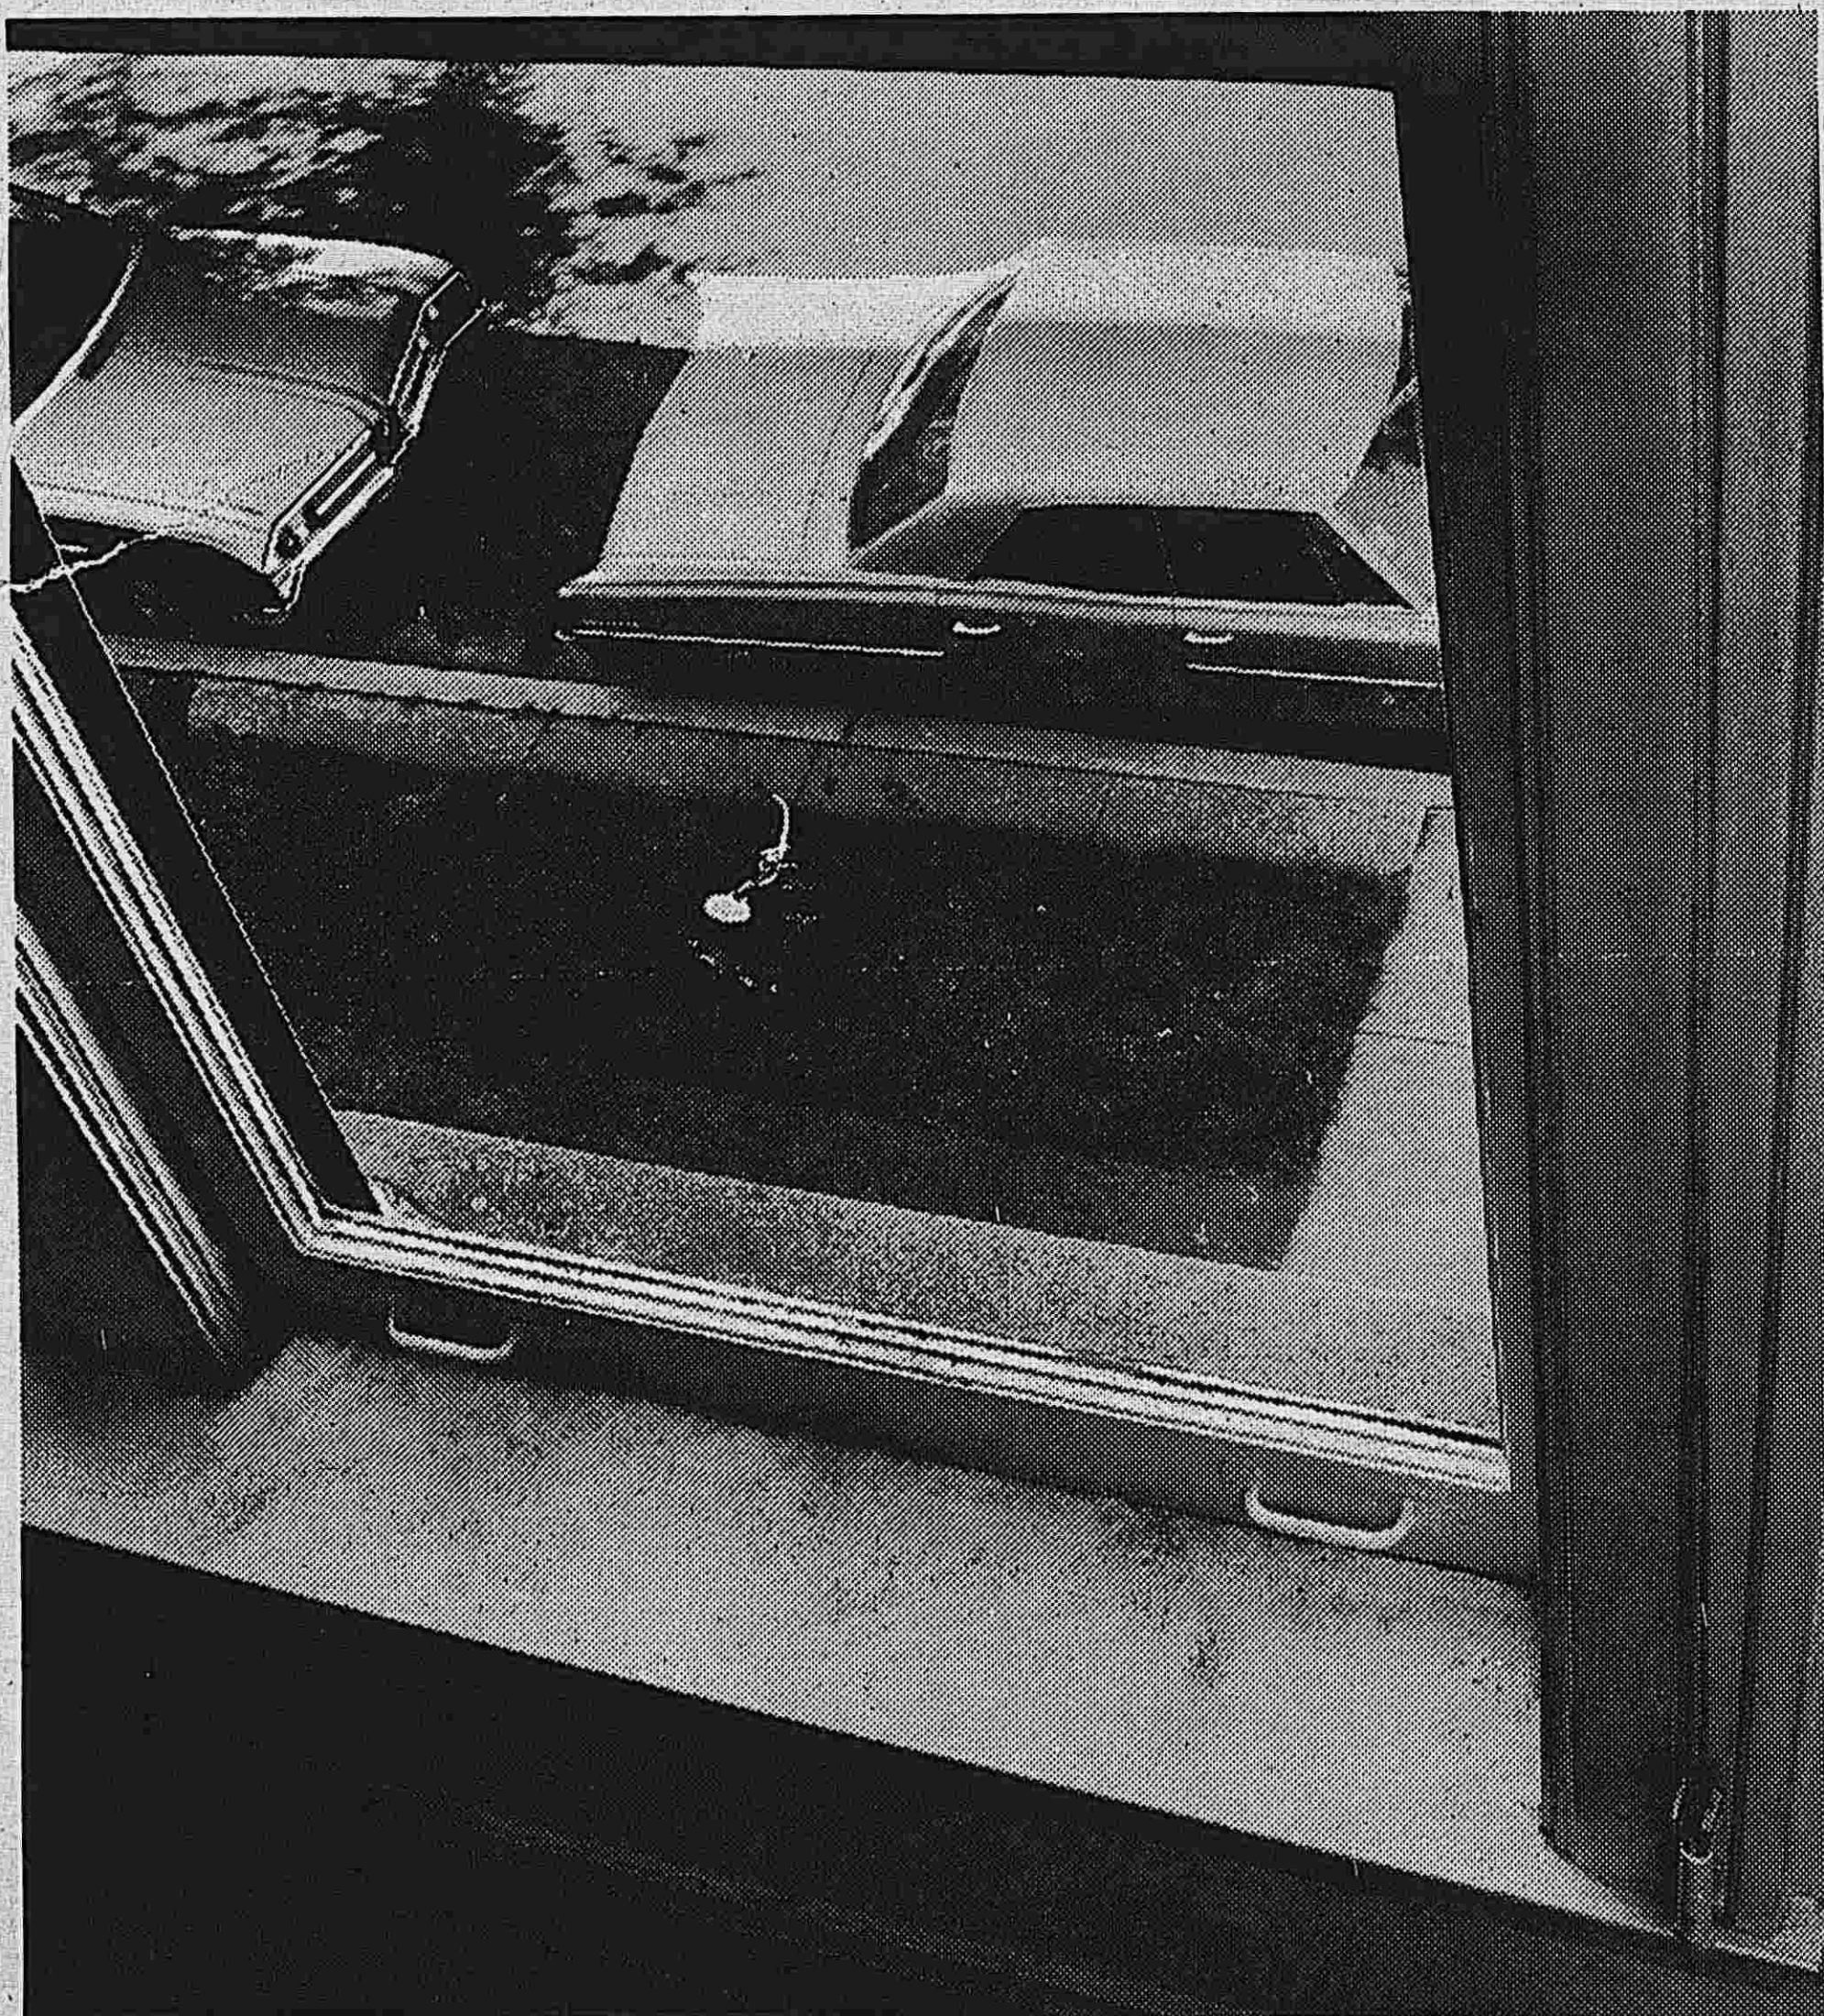

Next year, because the Legislature neglected to combine elections for County Board members with those for other county, state and federal offices, there will be four elections.

Although both parties have appealed to their regulars, the County Clerk's Office finds itself without judges in some precincts or without enough.

The job of election judge is not complicated. It does not require a college degree, only common sense, good judgment and stamina. An evening class will be held at several countywide locations in January for purposes of instruction.

The duties of the election judge are paid for at the rate of \$25.00 for the day, an additional \$5.00 for attending the class and \$5.00 more for the two judges, (one of each party) who bring the ballots to Waukegan. Even with such reimbursement, it is true public service.

If you would like to volunteer to serve in this way, contact either your Central Committee chairman (Republicans, Bob Milton 623-0235, for Democrats, Hub Stern 244-2870) or the County Clerks office (689-6667). You need only a Social Security number and the will to do the job.

You clean and clean and clean again. Where does the dirt come from?

The window is locked. It seems good and tight. But there's dirt on your sills. And every day, it keeps coming back.

The flame in your heating system is the culprit. In order to burn, it needs air—more air than your house can hold.

So it pulls in outside air from under doors and around windows. (Even though they look airtight, they're not.) And along with that air comes outside dirt.

You wouldn't have that problem with electric heat. It's flameless and needs no air. So your whole home stays cleaner.

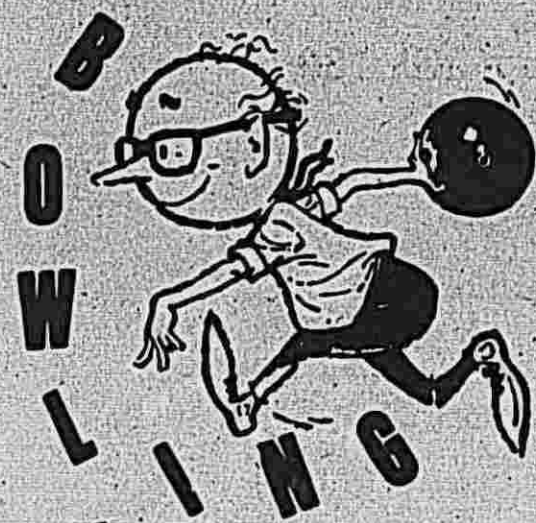

If you're thinking about converting or replacing your present

heating system, look into flameless electric heat. After all, you spend two-thirds of your life at home. Don't you want that environment clean too?

FRESHMEN CLOSE SEASON WITH A WIN

Antioch's Freshman Football team evened their season record at 4 wins, 4 losses and one tie by defeating Round Lake 14 - 8 last Saturday. The conference record of the young Sequoits is 4-2-1, good for second place behind pace setting Warren.

The final game had an exciting finish as Round Lake took an early 8-0 lead before the Sequoits took charge. The rest of the game was dominated by Antioch as the home team drove twice for scores.

Larry Smith scored both touchdowns, one in the second quarter and one in the fourth quarter. Bill Petty added a two-point conversion after the first touchdown. Terry Lear was outstanding on defense with 10 tackles and three assists.

During the season, Antioch was a tough defensive team. Only 47 points were scored on the team in seven conference games. However, Antioch had trouble scoring points too. The scores for the season were:

Wins over Grant 14-6, Grayslake 8-7, Lake Forest 18-6, and Round Lake 14-8.

Losses to Warren 12-0 and Wauconda 8-0. A tie with Lake Zurich 0-0. The "B" team finished with a record of 4 wins and 3 losses. Potentially the team could be great. Coach Norm Hahn feels the team will develop: "I think the big problem was one of maturity. This team is quite young and small. As they grow, they will improve. I can honestly see this team becoming conference champs," said Coach Hahn.

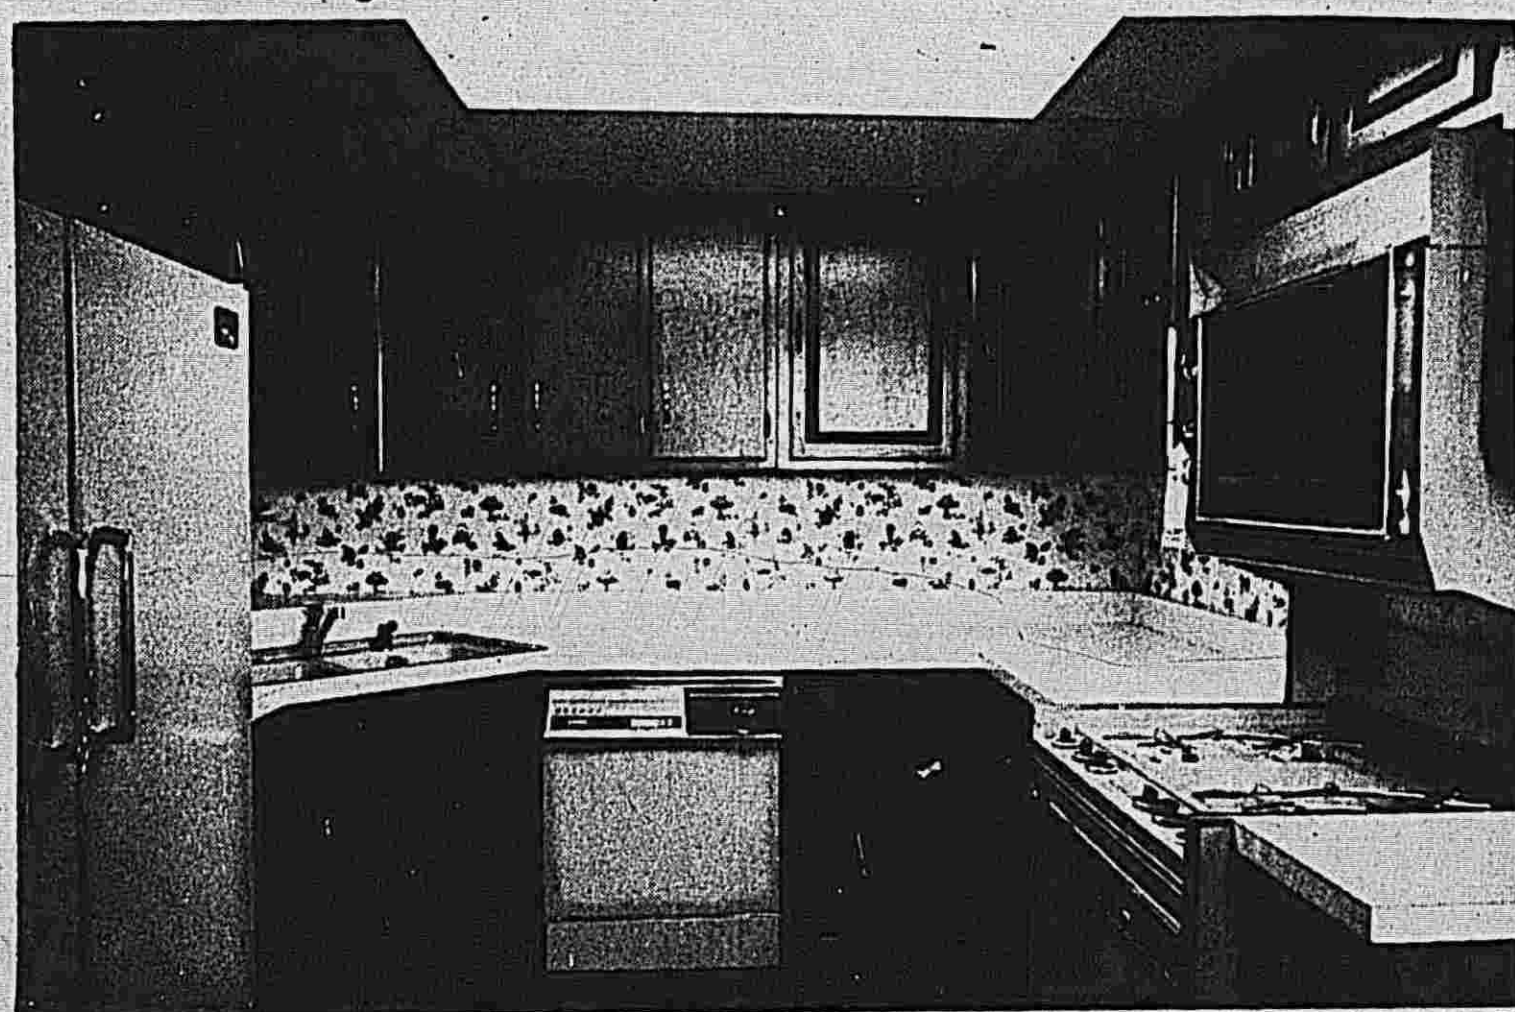

Fifty boys finished the season on one of the two squads. This is the highest total ever at Antioch. The team selected the following players for team honors:

Most valuable player-LARRY SMITH Team Captain-MIKE PERRONE Best Lineman-CHUCK SMITH Most improved player-JOHN HAY (tie) JEFF HARCEG

SOPHOMORES CLOSE OUT THE SEASON

The Sophomore Sequoits fought the cold, the strong wind and Round Lake valiantly and lost 22 to 6. The first half the game was close. The score at half time was 8 to 6 Round Lake. Mike Gutowski had scored from 10 yards out to post our 6 points. A try for a two point conversion fell short. The second half found the team in poor field position several times. Twice Round Lake took advantage of the breaks and scored. Antioch's score came after a poor punt by Round Lake.

Antioch had to confine its game to the ground. Most of the ball carrying was placed on the shoulders of Bob Bailey who carried 14 times, while John Meyers carried 11 times. Tom Pocrnich had the longest run of the day which covered 23 yards.

Defensively the team yielded more yards than the offense gained. Branden Abear led the defensive unit with 5 tackles and 3 assist. Look for season statistics next week on this same page.

MANDEHR Takes 4th At State

On Saturday, November 6th, Gary Mandehr, a senior at Antioch Community High School, placed fourth in a field of 226 entrants to win a gold medal at the State meet. Mandehr ran the three mile

race in 14:31 at Peoria's Detwiller Park. The previous record was 14:51. This year saw all fifteen top finishers shatter the old record.

Cy Young Winner Jenkins At Game Benefit

The benefit basketball game on November 11th at the Antioch High School gym will have an added feature. In addition to presenting members of the Chicago Cubs, the 7:30 game will also feature the National League Cy Young Award Winner.

Ferguson Jenkins won the award by a landslide vote of national sportswriters. He earned the distinction of being the first Canadian born player to win a major award in the league's history.

The lanky 6'-5" hurler led the Cub staff in strikeouts, innings pitched and victories in compiling a 24-13 win-loss record.

The big Canadian came to the Cubs in a 1965 trade with

the Phillies and after spot service became a fixture in the starting rotation.

Since 1967 he has won 20 or more games for 5 consecutive seasons, has pitched an average of 305 innings and struck out 261 per year.

"Fergie" has set records for most strikeouts (274 in 1970) for a season and leads all former Cubs in career strikeouts (1,432).

Tickets for the Thursday tilt are on sale at the High School, Walsh's All Seasons, the Antioch Bowling Alley, Gibbs and Jenson's Carousel, the State Bank of Antioch and at the gate. Members of the High School "A" Club and P.T.A. also have tickets. The price is \$2.00.

Sequoits Win Final 16-0

The Sequoits finished their season on a winning note with a 16-0 shutout of Round Lake in the wind and cold on Saturday.

The few fans who suffered through the bitter cold were rewarded by seeing the Sequoits dominate every phase of the game and even out their record at 4-4.

The key to the offense was the hard running of Greg Crutchfield and Ken Sterbenz. The tandem pounded away at the Panther defense, which was no match for the explosive Sequoits.

The first time the Sequoits had their hands on the ball they drove from their own 20 to the Round Lake 1 before being stopped.

But the fired-up Antioch defense quickly put points on the board as Tom Phaer dropped a Panther back in the end zone for a safety.

After an exchange of punts Antioch had the good field position it enjoyed all day at the Round Lake 38.

The Sequoits ground the distance in a nine play march that saw Ken Sterbenz cap the drive by scoring from one yard out at 5:58.

Highlights of the march were five runs by Sterbenz and the normal superlative efforts of Crutchfield.

Jim Revell kicked the point after and Antioch led 9-0.

Following the kick off Round Lake was again unable to move the ball and Crutchfield returned a punt to the Panther 25.

The Sequoits wasted little

time. On the second play Fred Popp hit Jim Revell at the 15 and the big end muscled his way over with 2:28 remaining in the half. Jim's extra point capped the day's scoring and sent the Sequoits to the dressing room with a 16-0 lead.

The defense, stingy in giving up yardage, protected the lead well. They held the panthers to -35 total yards and intercepted three, one by John Coia and two by Bill Gaa.

The defensive line, which has looked porous at times, outplayed the Panther front five. They showed good penetration and pursued well to shut out Round Lake.

The offensive line of Donica, Huebner and Benes opened enough holes to allow Crutchfield and Sterbenz 160 yards.

The victory was a fine way for the 15 seniors to close out their career.

12th MAN

After a long dry spell, we finally beat Round Lake 16 to 0 in our last contest of the season. This game meant an awful lot to us, especially to we seniors. It meant the difference between a fair record and a respectable one. As seniors, we certainly didn't want to finish up our highschool football career as losers.

Our defense played a superb game, holding Round Lake to 35 yards. Offensively, we played very well in the first half, but I think we let down a little in the second half.

We've had a lot of misfortune this year, but I think we've had a successful season. I'm sure our team is better than our 4 and 4 record indicates and I really think that with a few breaks and less injuries, we could possibly have gone all the way.
